Approved For Release 2003/04/25; CIA-RDR80B01676R002300120001-5

Mr. Wisner (Continued);

intention to raise the subject of this Conference with General Smith and also to discuss it with the interested officers here at head-quarters, including ______ in order that a firm decision might be reached as soon as possible.

Mr. Amory:

a. Reported that the problem of the Director's misquote in the NEW YORK TIMES of 29 April concerning British security in connection with atomic energy matters, was in hand. The Director stated he would prefer that the proposed letter to the TIMES, pointing out the misrepresentation of his remarks, be signed by the Chairman, AEC.
